Coming together monthly and welcoming all who attend our events is the highlight of serving as your president. I've met so many wonderful women in BPW, not to mention how much I've learned from each of

exist without it.

you. On Wednesday, we'll not only be learning a wealth of information from Marlo DeMoss on financial planning but we will also be taking nominations and holding elections at our luncheon.

extra participation (4-6 hours a month) will enrich your experience in BPW, I promise. For our club to continue empowering women in the community, we need your assistance and involvement.

Please consider joining us on the board. We

each have something different to offer and the

Connection makes us stronger. Thank you for a stupendous event last month at Amoray. We didn't get to cruise the bay, but

we did have lots of meaningful discussions and great fun, not to mention a brilliant sunset. Thank you, Ilja Chapman of Cruise Planners,

for the location and all the bubbles and

snacks. It was a great success for our women's scholarship fund. Next month we'll be installing our new BPW

Board at Corks & Curds from 5:30-7 p.m. Wednesday, May 17. I can't wait to try this place out. I've heard so many great reviews. I hope you'll join us. Can't wait to see you all at the Holiday Inn Wednesday!

nursing is! After 40 years in the Lesser Antilles, we semi retired to Tavernier in 2014. This is the closest we could remain to the Caribbean yet have access to better health care.

edited video and sound.

Our productions included documentaries,

commercials, TV programming and retail DVDs.

Our work took us to five continents and 30 countries.

Creative problem-solver Experienced portfolio manager Seasoned financial strategist & estate planner Fee-based Portfolio Management

We worked with many notables such as National Geographic, The Smithsonian Institute, Walter Cronkite, Good Morning America, Sony, and most recently Norwegian Cruise Lines.

At the inception of the internet we began building websites, first for our own company, then

for other small businesses. In 2008, we created Keystroke Media LLC, which encompassed video production and small business website development.

As our business prospered, it allowed me to go back to school part time (at age 45), earning a bachelor's degree in nursing science. Most of my RN experience was as case manager in the hospice setting, which was often difficult but also very rewarding, as most
